June 10<sup>th</sup> – 14<sup>th</sup>

We had an awesome week!

This week we reviewed all our colors, shapes and numbers!

For crafts, this week, we had free art using all different materials. The kiddos had fun painting with watercolors, coloring with markers, bingo dabbing and practicing our cutting skills with scissors.

On Monday, Miss Katie came in for Music. We loved singing and dancing while using shakers.

On Tuesday, Miss Fran came in for Social Skills. We really enjoyed taking turns and picking out stickers to make summer pictures.

On Thursday, with Miss Kayla, we had a blast learning a new dance called “Hot Potato”.

Some of the stories we read this week were: Rainbow Colors, Shapes, Scooby Doo’s Color, Pete the Cat I Love My White Shoes, and Little Critter Numbers
