

Pre-K 2 Newsletter

September 11th – 15th

We had a great week!

We had fun learning and exploring in all our centers this week. For our fine motor craft, we made circle monsters and Elmo puppets. We also practiced making the circle shape by using plastic cups to paint circle collages.

Miss Katie came in for our first music class this week. The kiddos had so much fun dancing and singing with her. We also were very excited to meet her stuffed dog, Rocky and cat, Jazz!

For our special on Wednesday, we were happy to meet and spend time with Miss Ilia and Charlotte our therapy dog, who came by to read us a story and play in our centers with us.

We ended our fun week with Miss Kayla, who came in for our acro special. The kiddos really enjoyed tumbling and dancing with her.

Some of the stories we read this week were Let's Go to School Elmo, Love Monster, The Shape Song, Five Colorful Crayons, Pete the Cat and His Four Groovy Buttons, and Hands Are Not for Hitting.

This month we will be learning about the color red and the circle shape.
