

Pre-K 2 Newsletter

February 20th – 23rd

We had a great week!

This week we started learning about the different animals that live in the ocean.

While playing in centers, we had fun exploring in our ocean sensory bin, full of water and different sea animals. We also enjoyed our seashell matching game where we had to match different colored fish to the right colored seashell.

During our fine motor craft time we continued having fun learning about ocean animals by making Rainbow Fish, crabs, jellyfish, and sea turtles. The kiddos are doing a great job with all our crafts.

On Wednesday, Miss Fran came in for Social Skills. The kiddos were excited to play with her Rainbow Fish puppet. Miss Ilia and Charlotte also came by to play in our ocean puzzle center.

Some of the stories we read this week were: Rainbow Fish, Ocean, Mommy, Where are You?, Finding Nemo, and OTTER Hello, Sea Friends!

This month we will be learning about the color purple and the heart shape.
