

Pre-K 2 Newsletter

January 22nd – 26th

We had an awesome week!

This week we talked all about Hawaii. We learned that it is very warm in Hawaii and that there are coconut trees and tropical fruit there. We talked about how nice it would be to go there to visit.

For our fine motor crafts, we made pineapples, coconut trees, grass skirts, and volcanoes.

On Monday, Miss Katie came in for Music. We had fun dancing to a new song called "Stop & Go".

On Tuesday, we had a blast making snow with Miss Fran. The kiddos each took turns mixing the ingredients together, then had fun playing with it.

On Wednesday, Miss Ilia and Charlotte came by to play in our centers. We played a fun Hawaiian flower memory game with them. The kiddos did a great job!

Miss Kayla also came by this week to dance and tumble.

On Friday, for Hawaiian Day, the kiddos were so excited to go over and join Mr. Ed's friends to watch their homemade volcano erupt. We also got to stay for a hula dance party. The kiddos loved it!

Some of the stories we read this week were: Moana Finds the Way, Froggy Goes to Hawaii, Moana's New Friend, and Don't Blow Your Top.

This month we will be learning about the color blue and the rectangle shape.
