

Pre-K Awesome News!

January 29th-February 2nd

This Week

We had a perfect week learning about the letter 'P'. This week we practiced making our 'P' sound as we read My 'p' Sound Box, sorted pictures from our own 'P' sound box, sang along to our 'P' Poem, and watched the Sesame Street Letter 'P' Podcast. This week we also learned about the number 4. The kiddos are doing a great job learning their numbers and filling in our new number chart with tallies, pictures, ten frames and patterns.

This week during circle time we had fun doing review of concepts we have learned so far this year. We had fun singing to old songs from the beginning of the school year about shapes, colors, numbers and letters! Throughout the week we read two stories by author Jan Barret, The Mitten and The Hat. After we read each story, we talked about the sequence the animals entered the mitten and what animals the hedge hog passed on his journey to remove his stocking hat. During our craft time we had the chance to design our own special hat and mitten mobile to hang up at home.

During Kiddosizing this week, we had fun dancing around with Miss Erika as we bounced balloons with different parts of our body trying to not let them hit the floor. During Art class with Miss Bonnie, we began work on a fun Valentine's Day inspired art project.

This week during center time we had fun building with big and little Legos, playing with Miss Ilia and Charlotte with the castle and characters, coloring, reading books in the library, and cooking in the kitchen.
