

Pre-K Awesome News!

February 12th-16th

This Week

We had a rad week learning about the letter 'R'. This week after we read My 'R' Sound Box we practiced making our 'R' sound by sorting pictures out of our own sound box. Throughout the week we watched the Sesame Street 'R' Podcast, sang along to our 'R' poem, and worked together to complete the 'R' Starfall! This week we also learned all about the number 6.

This week was full of special days! On Monday, we celebrated Lunar New Year. We learned all about what happens during the Chinese New Year celebration. We celebrated by having oranges with our lunch and fortune cookies for snack! On Tuesday, we learned about Mardi Gras, which in French means Fat Tuesday. We read the story The Little Purple Mardi Gras Bead and learned about jazz music. We had fun having our own Mardi Gras parade and making our own special no-bake cinnamon rolls for our snack. On Wednesday, we celebrated Valentine's Day. We had fun passing out our special valentines to all our friends, listening to stories about love and feelings, having a yummy strawberry parfait snack, and playing a tricking candy balancing game!

Throughout the week we also continued learning about the ocean. This week we learned about sharks, seahorses, and pirates. During story time we read Don't Eat the Babysitter, Mister Seahorse and Portside Pirates. We had fun dancing along to "Swab the Deck" by Danny Go!

This week during Kiddosizing with Miss Erika we had fun dancing with scarves. During our Art class with Miss Bonnie, we finished up our valentine heart collage project.

Looking Ahead

February 19th
NO SCHOOL

March 4th-8th
Dr. Seuss Week

Next Week

Next week we will be learning about ocean animals.

Letter of the Week
