

Hoots & Hollers

Week of September 23rd to September 27th

What We're Learning

News From the Nest

This week at school we talked about how special and amazing we all are! We learned a new word during circle time this week as we read stories, sang songs, and talked about our differences that make us so great. The word was: "unique".

Some of the stories we read this week included: I Like Myself!, I Am Enough, Amazing Me!, What I Like About Me!, The Magic of Me!, I Like Me!, It's Ok to be Different, Only One You, What if We Were All the Same?, and Different.

During our fine motor craft time this week we made pretend mirrors that told us how special we were, we decorated the first letters of our names with pom poms and made different kinds of emotions that we feel with play-doh.

In our centers this week, we continued to play classroom bingo, where we practiced all of our friends' names. We also introduced a new fine motor center, the rubber bands, where kiddos have to practice stretching rubber bands with their fingers from one peg and connect it to another.

In Social Skills this week, Miss Renee continued to help teach us about all of the different emotions we can feel. We started making a book of emotions that when finished, the kiddos will get to take home. It will have pictures of themselves and how they feel and what makes them feel that way.

Next week we will be talking about the changing weather and the new season that is finally upon us: Fall!

Upcoming Events

Wednesday, October 9th
Fire Department Presentation
10:00am

Monday, October 14th
Columbus Day
NO SCHOOL

Reminders

As the weather is getting cooler, please remember to send in with your child a light jacket or sweatshirt as we will still be going outside as much as possible throughout the week! ☺
