# Pre-K Awesome News!

## This Week

We had a sensational week learning about the letter 'S'. This week we read My 'S' Sound Box, sorted 'S' pictures from our own sound box, watched the Sesame Street 'S' Podcast, and sang along to our 'S' Poem. Throughout the week we also learned about the number 1.

This week we began learning all about snow and snowmen. During circle time we learned the song "5 Little Snowmen" and read many stories about snowmen and what we can do in the winter. During story time we read If I Lived Inside a Snow Globe and talked about what things we would do if we lived in one too. After we read the story, we had fun shaking our shaker eggs to the song "I Live Inside A Snow Globe". During craft time we had the chance to make our own snow globe that had a tree and snowflakes inside!

Miss Bonnie came in for Art class this week and taught us about three-dimensional art. We learned that 3D art is art that is not flat but stands like a statue that we can see all the sides. We practiced making 3D art playing with playdoh and learned how to make a pinch pot. After we mastered the techniques, Miss Bonnie gave us all real clay to make our own unique pinch pots.

During center time we had the chance to play in our new Arctic center, explore in our snowy sensory bin, build snowmen using white playdoh, read books in the library and built with large Legos. The best part of the week was getting to have a snowball fight in the classroom!!

### Looking Ahead

January 15<sup>th</sup>  
MLK Jr. Day  
NO SCHOOL

### Next Week

Next week we will be learning about the Arctic.

### Letter of the Week
