Pre-K Awesome News

This Week

We had great week learning more about the letters 'I' and 'J'. This week we read the stories Iguana on Ice and Jaquar Jungleberry Jamboree, sang along to our Storybot songs for each of the letters, and sorted pictures using our Plinko board.

This week we began learning about the rainforest and the animals that live there. Throughout the week we learned about chameleons, giraffes, parrots and lions! Throughout the week we read the stories Happy Lion, The Mixed Up Chameleon, Giraffes Can't Dance and Polly the Problem Solving Parrot! During our craft time we had fun learning how to draw a lion and camouflaging our chameleon using crayons and water color paints. We even had the chance to make giraffe headbands and showed off our best dance moves in a wild giraffe dance party!

This week for our Snacktivity™ we created tasty monkeys using rice cakes, Sunbutter, bananas and chocolate chips. They were so cute and soooo yummy!

This week in Music Class, Miss Katie came and sang songs all about the rainforest! We had fun using her stretchy band to play head shoulders knees and toes.

On Friday we had an awesome day visiting the Buffalo Zoo. We had fun seeing all the animals we talked about and having a picnic! Thank you to all our chaperones who made the day run smoothly!
