What We're Learning

News From the Nest

This week at school we learned about what Memorial Day means, started practicing for our upcoming Father's Day celebration, and began talking about summer.

The kiddos are all very excited to celebrate our dads in a couple of weeks. We worked hard during fine motor time to create two beautiful gifts for them.

During our center time, we also made summer trees and a memorial day poppy flower.

Some of the stories we read this week included: Memorial Day for Kids, Tad and Dad, F is for Flag, There's a Hole in my Bucket, and Curious You.

On Thursday, we got to dance, sing, and play with Miss Kayla. We love when it is nice outside and we can do acro in the grass!

Next week we will talk about the summer weather. There will be no more new letters of the week, so when it is your child's show & share day, they may bring in any item that they would like.
